

**INSTRUCTIONS:**

Print this page on iron-on transfer paper to make your own t-shirt! For a smaller version, reduce the printable area in your printer settings first, then print onto the transfer paper. **NOTE: BE SURE TO NAVIGATE TO YOUR PRINTER'S LAYOUT SETTINGS AND SELECT THE OPTION TO FLIP HORIZONTALLY** SO THAT THE TYPE READS THE RIGHT WAY ON YOUR SHIRT. You can skip this step if you're just cutting them out for fun!
