

INSTRUCTIONS:

Print this page on iron-on transfer paper to make your own t-shirt! For a smaller version, reduce the printable area in your printer settings first, then print onto the transfer paper. **NOTE:** BE SURE TO NAVIGATE TO YOUR PRINTER'S LAYOUT SETTINGS AND SELECT THE OPTION TO FLIP HORIZONTALLY SO THAT THE TYPE READS THE RIGHT WAY ON YOUR SHIRT. You can skip this step if you're just cutting them out for fun!
